

RETORNA

SERUM

Moisturizes skin, **reducing imperfections** and aging signs.

Promotes collagen synthesis, helping to **reduce wrinkles and expression marks.**

Helps to **homogenise skin pigmentation.**
(*ascorbyl glucoside*)

Helps maintain **hydration** and improving and strengthening of the skin.

Contains **Oligo-hyaluronic Acid** that helps to refill the wrinkle from inside. **Glucosyl Naringin** for collagen production and firming, **Bacillus Ferment** as an antioxidant, and **Swertia chirata** extract for hydration and skin regeneration.

Clean and rinse up the area.
Apply twice a day and massage until it gets completely absorbed.
